The Asian Century is the projected 21st-century dominance of Asian politics and culture, assuming certain demographic and economic trends persist. The concept of Asian Century parallels the characterization of the 20th century as the American Century, and the 19th century as Britain's Imperial Century.. A 2011 study by the Asian Development Bank found that an additional 3 billion Asians could ...

In the end of the 19th century a new type of antisemitism had begun to develop in Europe, the racial antisemitism. [citation needed] It has started as a part of a broader racist world view and belief of superiority of the "white race" over all other "races" while the already existing prejudice was also supported by pseudo-scientific theories such as Social Darwinism.

Economics matters. Its theories are the mother tongue of public policy, the rationale for multi-billion-dollar investments, and the tools we use to tackle global poverty and manage our planetary home. Pity then that or more like disaster that its fundamental ideas are centuries out of date, but ...
