In cultural studies, media culture refers to the current Western capitalist society that emerged and developed from the 20th century, under the influence of mass media. The term alludes to the overall impact and intellectual guidance exerted by the media (primarily TV, but also the press, radio and cinema), not only on public opinion but also on tastes and values.

Hello! You have landed on this page because you were heading for one of the old websites made by me, David Gauntlett, in the distant past. Most of the stuff on sites like [theory.org.uk](http://theory.org.uk)™ and [newmediastudies.com](http://newmediastudies.com)™ was 12-20 years old, and I kept it all on the internet for a long long time in case anybody really needed it, but I think that time has now gone.
