Amazon.com: Luna (9780316011273): Julie Anne Peters: Books

Luna may be about typical adolescent angst and the pains of growing up, but Julie Anne Peters's book is a landmark. In 2003, the book was published and became the first young adult novel to prominently feature a transgender character, making it a huge stride for LGBTQ literature. Though the book is light on sex, drugs, drinking, and all those other vices that usually have people clutching at ...
