Project management is the practice of initiating, planning, executing, controlling, and closing the work of a team to achieve specific goals and meet specific success criteria at the specified time.

### **Project management - Wikipedia**

INTRODUCTION. Transitions of care (TOC) is a term that refers to movement of patients among health care practitioners, settings, and home as their condition and care needs change. 1 For example, a patient requiring hip surgery may be referred from his primary care provider (PCP) for evaluation at an outpatient orthopedic surgery clinic and then ...
