I had a phone interview where many of these questions were asked of me at a rapid pace. While I didn't have trouble answering, after 20-30 minutes of this I stopped the interviewer and explained that the book knowledge of CPM scheduling and training on the appropriate software can be learned by anyone, the toughest part of planning is generating buy-in amongst the stakeholders that the ...

Common Interview questions for Planning Engineer

A job interview is an interview consisting of a conversation between a job applicant and a representative of an employer which is conducted to assess whether the applicant should be hired. Interviews are one of the most popularly used devices for employee selection. Interviews vary in the extent to which the questions are structured, from a totally unstructured and free-wheeling conversation ...
